EDU HELP

Education Helping Community
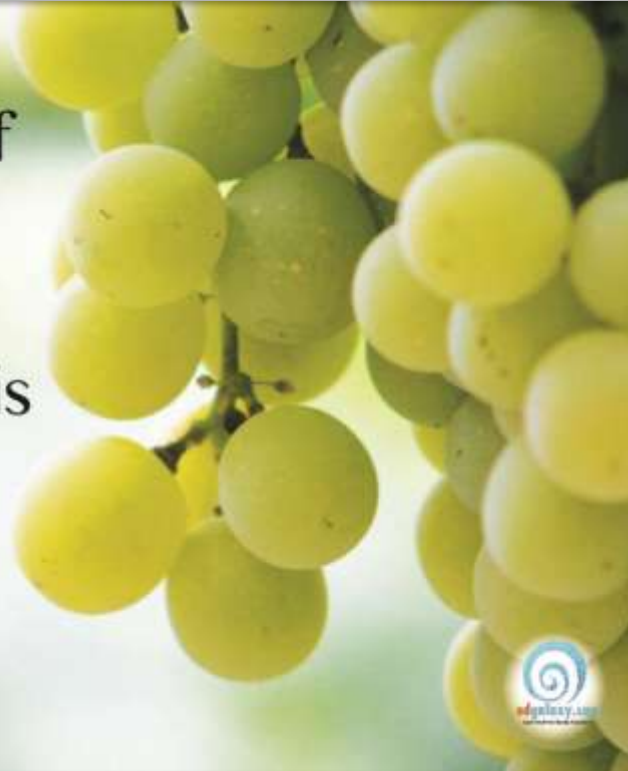

Education is most powerful weapon

– Nelson Mandela

Why EduHelp

- WE believe that **education** is the most important tool you can receive, that can bring **Success** in society today

- Education is definitely important in anyone's life. A gift of knowledge can bring us to the top of our dreams. It leads us to the right path and gives us a chance to have a wonderful life.

- Education is an important aspect that plays a huge role in the modern, industrialized world, which could transform
  - **Career Advancement**
  - **Character Building**
  - **Backbone of Society**

Hurdles in Education

- Education has become the most trending business today leading to unaffordable and a dream for the middle class people
- It's a dream for Middle class people to put their children in modern schools where modern / innovative technology learning prevails
- BUT only 30% middle class people succeed in their education dreams for their kids, for the rest it is just a dream
- Inspite of location, the common mans has many constraints of Living cost which is sky rocking, travel, food, clothing, etc for his basic needs he takes loan to run his life. Good Education is a ? Mark
- In reality due to exorbitant cost for formal education most parent/guardians withdraw their children from quality school to next grade level schools is an alarming situation
- This is the situation of the middle class here, then think of the lower middle class and below average income group class kids education.

"*The Idea*"

- Over years an affluent broadminded NRIs & entrepreneurs were thinking on a **"Idea"** that could change & solve millions of people Education expenses issue.

  An innovative idea that flashed out in their minds, is the **birth story of "EduHelp"**
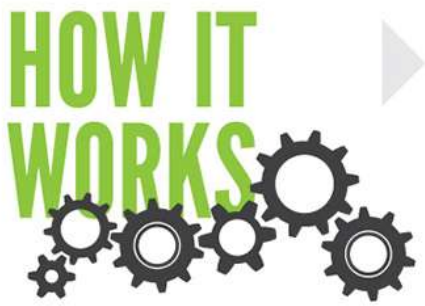

- EduHelp has no intention to generate revenue or charges any of its kind from **This community Help "Giver" or "Receiver"**

- Incase EduHelp Community need funds to run this social cause it may **generate revenue through "Advertisement"**
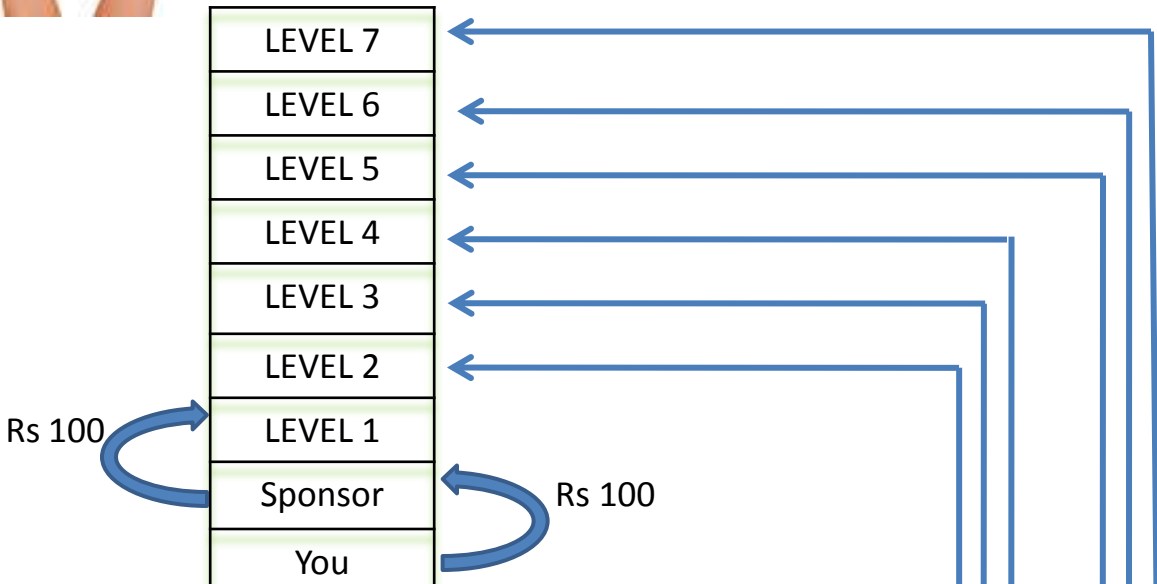

HOW IT WORKS

"Help & Receive"

- First things first, the thumb rule here is "First Help & then Receive"
- You need to Help Rs.100 to the sponsor above you to join the community
- As your sponsor confirms your payment being received you will be eligible to start receive Help from your personal referral's
- On receiving payment from your personal referral's now you can Pay Rs 150 to next level which is your second level sponsor upward
- Once you have paid the second level sponsor upward you are eligible to receive help from the second level below. You can pay to 2 levels above
- This cycle goes on as explained in the chart on next slide
- An individual can receive Help up to Rs. 33,64,000 by sponsoring many and in fact helping the team also.

The Plan

Rs 100	LEVEL 7
	LEVEL 6
	LEVEL 5
	LEVEL 4
	LEVEL 3
	LEVEL 2
	LEVEL 1
	Sponsor — Rs 100
	You

LEVELS	Help	No of Helpers	Receive	Your Help	Give
LEVEL 1	100	2	200	50	150
LEVEL 2	150	4	600	200	400
LEVEL 3	400	8	3200	1200	2000
LEVEL 4	2000	16	32000	28000	4000
LEVEL 5	4000	32	128000	118000	10000
LEVEL 6	10000	64	640000	620000	20000
LEVEL 7	20000	128	25600000	2560000	

SMART SPREADERS

- **SMART SPREADERS** are the one who takes more initiative to explain and promote a good cause community "EduHelp" to people by sponsoring many Help givers & receivers

- To qualify for **SMART SPREADER** you need to sponsor 6 help givers as your direct referral once you join the community

- SMART SPREADER gets an additional help benefit from others also wherever there is a missing help

- Missing help is when receiver's are not eligible to receive from level below, then helper can wait till line of sponsor get eligible or he can pay to **SMART SPREADERS** according to eligible level queue.

SMART SPREADERS

- **SMART SPREADERS** will be eligible only for the queue as per their current eligible receiving level. They need to get eligible in each level to get into that respective level queue and receive

- **SMART SPREADERS** are on queue respective to their level and if there are helper ready and no receivers then the help is allocated to them on "Q" basis

- Once the SMART SPREADER receives the help he goes last to the last in the queue and its on a rotational basis

- **SMART SPREADERS** gets re-entry as much as of 10 times in each level as per the eligible level.

- Example: In Level 2 queue Smart Spreaders can reenter 10 times, it applies in other level queue also
